

Private Lessons (Voice, Piano, Guitar)

It is highly recommended that ALL students study with a private voice teacher. For your convenience, we also offer private instructors for piano and guitar lessons. Nothing will help your student advance more as a young musician than working with a quality instructor! Students that spend time with a quality voice instructor more rapidly improve as singers and musicians. Mr. Graham's recommendation is for a 30 minute lesson, once a week. If this is not possible, a lesson every two weeks or an occasional voice lesson is still beneficial. Of course, the more lessons, the more benefit will be gained.

We have arranged a convenient system to aide in the students need for private lessons. We have several highly qualified instructors that teach lessons directly out of the Marina choir classroom. Our instructors are professionally trained and experienced performers in all genres of music including: classical, jazz, musical theater, pop and opera.

LOCATION: Choir Room 322

STUDENT COST: \$35 per 30 minute lesson
